A Wondering Model of Questions to use at home

Enter – find the space; check in with each other about the day

Hear – read the story together

Pause – wait in silence (count to 10)

Wonder – invite the child to explore the story

- Who is in the story and what happens to them?
- What do you think the story is about?
- What kind of story is this?
- How is the story different from our life today?
- Do you think this is an important story or not?

Bless - Offer prayers together
