What's Next in Children's Ministry on Sunday Mornings?

Reflection Questions based on Video Presentation

1. Share a favorite memory about Sunday School for each of you, if you have one.
2. What did that memory involve? People, the senses, learning, feelings?
3. How have you seen the larger culture shift in your community? What is active attendance for your families?
4. What do you think were the top 3-5 objectives and hopes about Sunday School 10-20 years ago?
5. What are your top 3-5 objectives and hopes for children today?
6. What are ways you are already meeting those objectives beyond Sunday School?
7. What are ways you can imagine a new way to meet your objectives besides Sunday School?
8. Are there ways to meet your objectives outside of Sundays and the church by being in the community and homes?
9. Recalling the memories you shared at the start, what do you hope the kids of today remember about church when they are adults?
10. What are 3 things you can experiment with and try with your children?
